Engine Degreaser

CODE: R203

Simple effective cleaning for all engines

A powerful, heavy duty emulsifiable solvent degreaser and de-waxer which simply sprays on and washes off, quickly removing oil, grease and tar deposits from engines and other surfaces.

Benefits:

- Use on any metallic surface
- Removes grease, tar stains, oil, bitumen, waxes etc
- Dissolves and emulsifies for easy removal
- Can be used on most plastic and painted surfaces
- Suitable for spot removal on concrete

Technical Data:

Appearance: Colourless liquid
Odour: Hydrocarbon odour
Contents: Blend of coconut diethanolamide and synthetic fragrance in white spirit and xylene with butane/propane propellant
Storage: Below 50°C
Flash Point: <0°C
Temperature range: For use at ambient temperatures
Relative Density: 0.785
Solubility: Emulsifies with water
Pack Sizes: 12 x 400ml cans
Directions for Use: Shake can thoroughly before use and spray liberally on area to be cleaned. Allow to remain in contact for a few minutes, brushing to assist in penetration. Wash off with plenty of water.

Not for use on asphalt
